Sir:

In response to the office action mailed October 1, 2001, Applicants submit the following amendments and remarks for entry into the above-identified application.

IN THE CLAIMS

~~Cancel~~ claim 2.

Claims 1, 5, 8 and 9 are ~~amended~~ to read as follows:

sub c/s
fl
~~1. A food product comprising a sugar wafer cone having a filling of a substantially water-free based confectionery material that has solidified in the sugar wafer from a molten, semi-liquid, or semi-solid state prior to consumption, so that the cone acts as a handle to keep a user's hands clean during eating of the product and the product combines the pleasure and fun of eating an ice cream cone with the indulgence of a fat-based confection.~~

fl
~~3. A food product according to claim 1, wherein the food product has a weight of between about 5 and 40 g and is bite-sized or a 2-3 bite sized piece.~~

fl
~~5. A food product according to claim 1, wherein the filling comprises dark chocolate, milk chocolate or white chocolate, or any mixture thereof or products derived from sugar with or without milk derived components, or fat and solids from vegetable or cocoa sources, chocolate substitutes containing direct cocoa butter replacements, or stearines,~~
